Functional space side panel modules for internal compartmentalisation – SV 9673.051

created : 18.03.2014 on www.rittal.com/com-en

Product description

Description:

- Side divider panel for compartments, for locating into the TS pitch pattern. Prepared for the location of mounting brackets for horizontal functional space dividers or mounting plates. Two TS system punchings allow the use of additional TS accessories. The side panel modules for reduced functional space depth and an auxiliary construction using TS punched rails 17 x 17 mm can be used to provide a separate enclosure space in the side panel area, e.g. for the provision of a busbar system.
