## EPIC® H-A 16

29.11.2013

H-A inserts with screw termination up to 2.5 mm<sup>2</sup> wire cross section Slim connector insert for standard application Easy to service screw connection Universal for current and voltage transmission

Industrial machinery and plant engineering

Assembly time

Space requirement

#### Info

Slim standard insert, easy to connect by screw Universal for current and voltage transmission

### Application range

Machine and equipment manufacturing Control engineering

### Remark

Photographs are not to scale and do not represent detailed images of the respective products.
